Greetings Families,

Every staff member at Wilson Focus is excited for a safe return to school. We have been preparing for this day and feel confident it will be a safe return. Everyone is looking forward to teaching in person and seeing your children on our campus. Students do not have school October 1-2. October 5 is our first day for students in the Blue A-K group. October 8th will be the first day for students in the Yellow L-Z group. Always feel free to reach out to me with any questions or concerns.

Mrs. Jacobs

Reminders

- School hours are from 8:00 AM to 3:30 PM daily until we start Enrichment.
If your child is ill, please do not send them to school. Notify Mrs. Carole at 531 299 2260.

Breakfast is served from 7:35 to 8:00 AM.

All students will enter through the North doors from 7:35 AM to 8:00 AM.

After 8:00 AM students are considered tardy and they will enter through the West Office door.

**Arrival**-Our building is open and students may arrive at 7:35 AM. Prior to that time, we do not have supervision for students.

**Dismissal**- All students (parent pick up and bus) will exit through the North doors. Parents can pick students up on the North West sidewalk.

Due to the COVID-19 pandemic, we will **not** be allowing any visitors into the building until further notice. Visitors include, but are not limited to: classroom volunteers, grandparents, parents/guardians for lunch, for classroom parties or waiting for pickup or dismissal. In the event that you need to come to the building, a face covering is required and you will be asked to remain at the main entrance vestibule. These procedures are put into place to keep our students and staff safe. We appreciate your support and cooperation with this change.

iPads Students need to bring their charged iPad and charger each day to school.

3/2 FAMILY PLAN

- October 5-7 Blue Group A-K
- October 8-9 Yellow Group L-Z

**Wednesdays will rotate between the two groups. Starting with the Blue Group**

Here is a link for our calendar. Note that enrichment is listed but we will not be starting until we come back 100%.

Enrichment is a key part of our Wilson Focus program and we will start having classes again when we return 100%. With the 3/2 family model return we can not have people from the community in to help with Enrichment classes. We will update when we have more information.

**School Hours will be from 8:00 AM -3:30 PM each day.**

**FACE COVERINGS**

All students and staff will wear a face covering/mask while at school. We have a package of 5 for each student that we will hand out on October 5th and 8th. **IF your child does not have their own mask at home to wear to school on the first day we will have them available for pick up on Wednesday, September 30th from 8-3:00 PM. Students will not be allowed on the bus or into the school without a mask on.** Please drive up by the main door and you can pick up your package of 5 masks.

- Face Coverings/Masks Pickup *Wednesday, September 30th from 8-3:00 PM* Only pick up if your child does not have one at home to wear to school on October 5th or 8th.

**STUDENT ABSENCES**

If your student is ill please call the school at 531 299 2260 and let us know. If your child is absent they can make up the work when they return. If they are sick for more than 2 days in a row, we will have the work available for pick up at school. The links below provide information on proper face covering use and taking your temperature.

A REMINDER ABOUT RIDING THE BUS

School is over at 3:30 PM. All bus students will ride the bus home every day unless we have a parent note or phone call to the office by 3:00 PM. This is to ensure the safety of all our students and eliminate confusion at the end of the day.

SCHOOL LUNCH

ALL students in the Omaha Public Schools will receive lunch at no cost until December 31, 2020. With the new health guidelines we anticipate our lines will be moving a bit slower, so we temporarily will not offer the option of second lunches or a la carte items. When the option of seconds is available, students would need to pay if they want a second lunch or a la carte item.

MICROWAVE UPDATE

For the health and safety of all students we will no longer be offering the use of a microwave during lunch. Please do not send items that need heated up. Thanks so much!
