Dear Parents/Guardians:

Enrichment Session #1 was a ROARING SUCCESS! Enrichment registration for Session #2 will take place on Monday, October 15th in your child’s classroom. The teacher will facilitate the registration in the classroom.

- Session #2 enrichment classes will begin October 30, 2018 through January 17, 2019 on Tuesday, Wednesday and Thursday each week as noted on the calendar.

- On Enrichment dates school ends at 4:30 p.m.

- School ends at 3:30 p.m. on Monday and Friday and all other dates noted on the calendar with no enrichment.

- Students will choose one class from each category. The session categories are (C = Communication, L = Leadership, T = Technology, and W = Wellness). It is our goal to have students select choices from different categories to provide them variety and encourage them to try new opportunities.

- You can access all enrichment information (calendar, class offerings, and a copy of the parent letter) on our website at http://wilsonfocus.ops.org/#13575-enrichment-information

If you are in need of a paper copy please feel free to contact myself or your classroom teacher and it will be provided to you.

Enrichment is considered part of your child’s school day and is not an after-school daycare. Generous funding from benefactors and grants allow us to offer high-level activities and tutoring after the regular school day. It is a privilege that would otherwise cost a significant amount to families. Therefore, when a student signs up for a class it is expected that they will follow the guidelines set forth in the Wilson Focus School/Omaha Public School Student Handbook.

We look forward to a great LION FOCUS 2018-19 Enrichment program with your child.

Get ready for a roaring great year!
