Dear Parents/Guardians:

We are ready for Enrichment Session #4! Registration for Session #4 will take place in your child’s classroom tomorrow, Friday, February 28th. The teacher will facilitate the registration in the classroom.

- Enrichment Session #4 classes will begin March 31st through April 14th on Tuesday, Wednesday and Thursday each week as noted on the school calendar.
- On enrichment dates, school ends at 4:30 p.m.
- Buses depart at 4:30 p.m.
- Parents picking up students should arrive promptly at 4:30 p.m.
- Students will choose one class from each category. The session categories are (C = Communication, L = Leadership, T = Technology, and W = Wellness). It is our goal to have students select choices from different categories to provide them variety and encourage them to try new opportunities.
- School ends at 3:30 p.m. on Monday and Friday and all other dates noted on the calendar with no enrichment.
- School will dismiss at 3:30 p.m. every day after May 14th. There will be no enrichment after May 14th.
- You can access all enrichment information (calendar, class offerings, and a copy of the parent letter) on our website at http://wilsonfocus.ops.org/#13575-enrichment-information

If you are in need of a paper copy please feel free to contact myself or your classroom teacher and it will be provided to you.

Enrichment is considered part of your child’s school day and is not an after-school daycare. Generous funding from benefactors and grants allow us to offer high-level activities and tutoring after the regular school day. It is a privilege that would otherwise cost a significant amount to families. Therefore, when a student signs up for a class it is expected that they will follow the guidelines set forth in the Wilson Focus School/Omaha Public School Student Handbook.

It is hard to believe that we are ready for our last session of the 2019-20 school year.

If you have any questions, contact your classroom teacher or Mrs. Moats at (402) 733-1785.

Thank you.
